

We met Dave and Kristi Soper the spring of 2018. A friend had recommended that we contact them to discuss a home remodel. After our first meeting, we knew immediately that Soper Services was who we wanted to work with. Both Dave and Kristi are extremely knowledgeable about design and construction. They work closely with their clients, providing input and options but the final decision rests with the client.

Dave and Kristi, along with their qualified workers and sub-contractors completed a major home remodel for us in 2018. Our home, built in the late 50's, now looks fresh and updated.

In the summer of 2019 Soper Services returned to replace our old deck. It looks fantastic! It makes our home look complete.

Most recently (January 2020) they have completed a garage remodel. It too has a clean and fresh look. Dave worked hard to select adequate storage and create a work space.

Overall, we couldn't be happier with the work the Soper Services team has done for us. They are friendly, honest, and trustworthy. They work together as a team and take pride in their craftsmanship and quality work.

We highly recommend Soper Services and know that you too will be happy with their services.

Sincerely,

Merra and Marcia Grassa
